Mr. S. Shiva Kumar has taken charge as the Chief Vigilance Officer (CVO) of Navaratna Defence PSU Bharat Electronics Ltd (BEL) on December 30, 2013.

Preventive Vigilance is the core function of any Vigilance administration of any Public Sector undertaking. During his Current tenure as Chief Vigilance Officer in Bharat Electronics Limited, he focused more on the preventive vigilance functions, and instrumental in formulating various policies, including the Corruption Risk Management Policy and in streamlining the various procedures, more particularly relating to Procurement and Human Resources Management. He drives and motivates the BEL employees to take up the Online Certified Program in Public Procurement (CPPP) organized by The World Bank. About 2900 employees of BEL comprising about 25% of the total strength of the Company have successfully completed the CPPP till date.

He is also part of the 15 member team, comprising the Senior Officers from CVC, PSUs and Government Departments, that visited International Anti Corruption Academy (IACA), Laxemberg, Austria for the Advanced Vigilance Training Program during 1-12 February 2016.

He is blessed with a Daughter who is on the course of completing her MBA in IIM, Ahmadabad and a Son who is pursuing his Degree in Law in National Law University, Assam.
